Two additional reasons to book SAA.

SAA Now
flies twice
a week
non-stop
to
Cape Town

New
Monday flight
through
to Durban

**From
June**

Now, South African Airways offers you even more convenience and choice. With two great new services inaugurated in June: an additional flight to Cape Town plus an extra through service to Durban.

On Thursdays, at 2000 hrs, from June 1, there's a new non-stop flight to Cape Town. You now have the choice of Thursday and Saturday non-stop Cape Town flights plus daily connections via Johannesburg. On Thursdays the new Cape Town service continues up to Johannesburg - so you now have a late evening choice to South Africa's business hub, too!

With a new SAA Monday flight through to Durban from June 5, SAA now offers a twice-weekly

through service (Mondays and Fridays) to the Natal city, plus daily connections via Johannesburg.

SAA flights leave from Heathrow, Terminal One, and offer you those standards of comfort and service which have made SAA the Number One Choice to Southern Africa.

Next time you book to Johannesburg, Cape Town, Durban or other key Southern African destinations, book SAA.

From June, daily to Johannesburg. Plus non-stop to Cape Town on Saturdays and Thursdays. Plus through flights to Durban on Mondays and Fridays.

You will appreciate the difference.
