Oundle International Festival and Summer School for Young Organists has expanded greatly since the first Festival 15 years ago.

In 1996 a new course was introduced, earlier in the year, for beginner organists or those who would like to start. The course is called *Pulling Out the Stops* and the fourth course will take place on the weekend of 7th to 9th April 2000.

Also since 1996 we have promoted a concert during the week before Christmas, a very festive occasion with mulled wine and canapés, set in one of Northamptonshire's magnificent country houses.
