GENERAL INFORMATION

Bursaries

Many young organists find that they can gain some financial help from their school, conservatoire, church or local organists' association. But beyond that, be assured that we never like to turn away anyone who really should be enjoying the *Oundle for Organists* experience, but who may genuinely find the courses too expensive.

Thanks to the generous support of benefactors and trust funds we are often able to help towards the cost. If you would like to be considered for a bursary, please write, or ask a parent or teacher to write on your behalf, giving brief details of your circumstances. Such a letter should accompany your application.

Pastoral Care

On all Oundle courses, pastoral care by experienced staff is an important feature of the arrangements. POS students in Cambridge will also have a chaplain who directs the liturgy and joins in the social life.

Pastoral staff and Tutors provide CRB Enhanced Notices of Disclosure.
