TASTE OF HONEY
THE JIVE ACES
with **THE JIVING LINDY HOPPERS**

7.30pm Poplars Field, Oundle (5pm Gates Open)

Taste Of Honey have captured the unique sound of the Bee Gees both musically and vocally with their authentic 'Tribute to the Bee Gees' show. Covering four decades of hits by one of the world's most successful bands, Taste of Honey covers such pop classics as 'Stayin' Alive', 'Tragedy', 'Massachusetts', 'More than a Woman', 'Night Fever' and many more.

Taste of Honey's first TV appearance was on Granada TV's 'Stars in their Eyes' in 1990. Since then their tight vocal harmonies and polished musical ability has seen them playing to capacity crowds at Cardiff International Indoor Arena and headlining the 'Festival of Light & Sound' at Morecambe Bay Outdoor Arena where they played to crowds in excess of 20,000 people.

In February 1997, Taste of Honey performed with the Bee Gees themselves when they teamed up for a joint rendition of 'To Love Somebody' for a Heart FM Radio (London) show. The Bee Gees themselves were amazed at the accuracy of Taste of Honey's singing, described by Maurice Gibb as "absolutely brilliant", whilst Barry Gibb said their performance was "fantastic".

The Jive Aces is the UK's top Jive & Swing band. Playing songs made famous by such greats as Bobby Darin, Louis Prima and Sammy Davis Jnr, they also perform a selection of superb originals. The six piece band has worked with Van Morrison, John Travolta and Isaac Hayes as well as performing for HRH Prince Philip and Tom Cruise.

The band has brought the house down with its high-energy stage show at thousands of festivals, theatres, and dancehalls throughout Britain, Europe, USA and beyond, and has performed at countless major events including The Lord Mayor of London's Spectacular, Montreux Jazz Festival, The Royal Ballet's 50th Anniversary, Vienne Jazz Festival and the Cannes Film Festival official party.

The Jiving Lindy Hoppers consider themselves to be only the latest in a long line of enthusiasts who have passed on this dance form to others since it first came to life. The Lindy Hop has been continuously recreated by successive generations of dancers since it first established itself as a distinct dance form in 1928.

The first generation of dancers, led by George "Shorty" Snowden and Pauline Morse, created and popularised the Lindy Hop throughout the USA, whilst subsequent generations gave it a new professional gloss and took it all round the world. Since their formation in the early 1980s, the Jiving Lindy Hoppers' pre-occupation with performing and trying to reproduce original styles of dancing has kept them close to the original way of approaching the Lindy Hop.
