

Oundle INTERNATIONAL festival PRESENTS

KILLER QUEEN STICKY WICKET & HIS FABULOUS SWING BAND THE OGS

at Oundle School Playing Fields, Oundle,
Northamptonshire

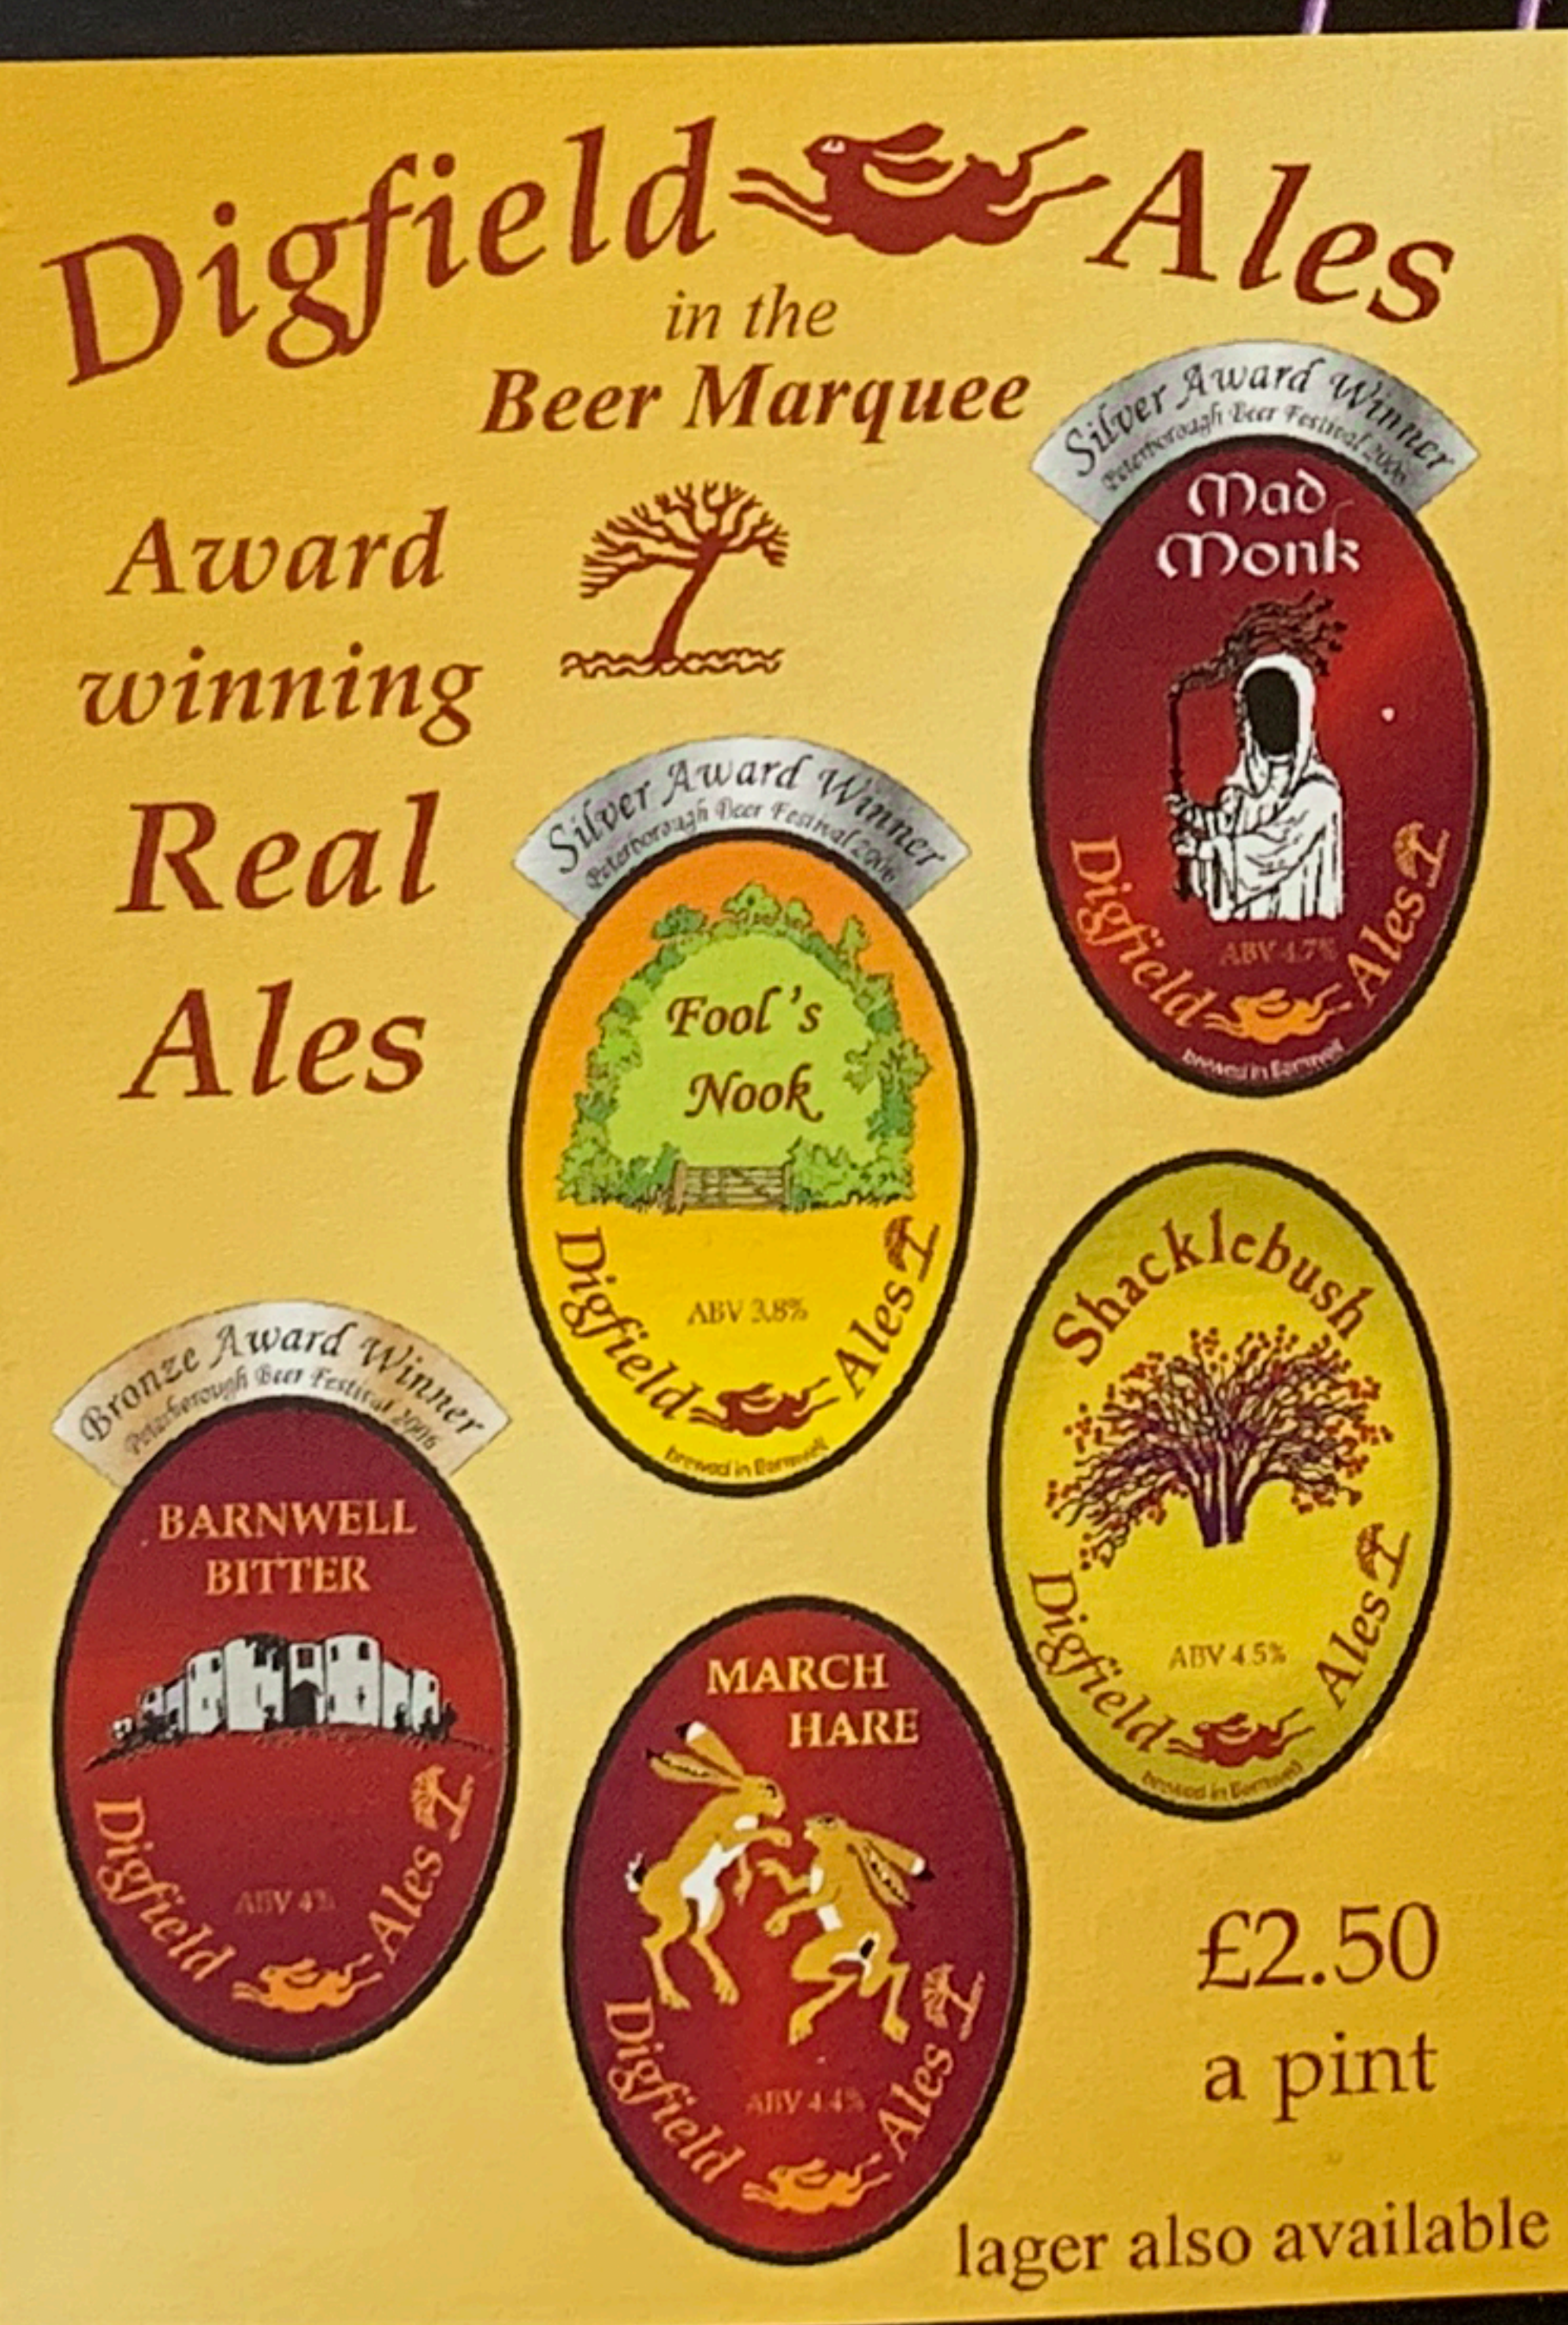

(by kind permission of Oundle School)

The real live QUEEN experience comes to Oundle - the showmanship, style and incredible musicianship that was the hallmark of QUEEN in concert. The show features Patrick Myers as Freddie Mercury, backed by his superb band hand-picked to emulate Brian May, John Deacon and Roger Taylor, along with the their spectacular stage set-up and special effects. Killer Queen have captured the sound and the look of QUEEN and will sing all the favourites, including *We Will Rock You*, *Radio Ga Ga* and of course, *Bohemian Rhapsody* - you just won't believe it isn't Freddie Mercury on stage!

"This guy is not to be missed" - editor of the official Brian May Website, talking about Patrick Myers, whose resemblance to Freddie Mercury was described as 'spooky' by Time Out.

Sticky Wicket is widely regarded as one of the UK's best drummers and has done sessions with many famous performers, including Jools Holland, Brian Ferry and Van Morrison. **The Fabulous Swing Band** was formed in 2000 and since then has played all over the UK, Europe and even China.

To start the evening in the right mood, Oundle's own rock 'n' roll band **The OGS** will take the stage, playing a popular mix of old favourites of the sixties and seventies, guaranteed to get everyone on the dance floor!
