## SATURDAY 19TH JULY

### VISIT TO BURGHLEY GARDEN OF SURPRISE and ART DEJARDIN, WING

Coach leaves at 1.30pm

Burghley Garden of Surprises

Art DeJardin

The Historical Garden of Surprise, which opened in 2007, was created in the eastern corner of the Burghley Deer Park next to the Sculpture Garden. Burghley has always been at the forefront of garden development; in the sixteenth century the first Lord Burghley was a passionate gardener and employed the Tradescants.

The amazing contents of the Garden of Surprise are inspired by this Tudor garden and are hidden from the outside, waiting to reveal their surprises to those who enter. Features such as the moss house, the swivelling busts, basins of water jets and the mirrored maze have been designed to appeal to all ages, particularly to the young or young at heart who enjoy a paddle on a warm day! The garden exudes a real sense of fun.

Art DeJardin at Wing near Rutland Water is the delightful contemporary sculpture garden belonging to artists John and Rose DeJardin. Sculptures from seventeen artists, from beautifully detailed glass to bold bronzes, woven willow and intricately carved furniture, are waiting to be discovered in the eight-acre grounds. The gardens are designed to show how pieces work in natural surroundings, and the expertly tended lawns, borders, woodland and beds provide a stunning showcase.

The coach will be back in Oundle by approximately 6.30pm.
